## Peace and Justice... Catholic Relief Services: You Did It for Me...

A single mother of six moved to San Marcos, Texas, for a better life. She was five days in her new home when the floods came. She lost all her possessions, including the house. She went to Catholic Charities for help and received shelter, clothing,

and food. She kept crying and repeating aloud, "I have no family here. I have no one to lean on." One of the staff of Catholic Charities put an arm around the woman and said, "We will be your family."
