

Novena to Our Lady of Monte Berico

O Most Holy Virgin / Mary / Mother of God / and Our Mother /
 We thank you that you have humbled Yourself to appear on /
 Monte Berico in Vincenza / in a season of severe illness and need /
 We thank you for all the graces / you grant to those who turn to you /
 Never was it known that anyone who asked for your protection /
 implored your help / or sought your intercession / was left unaided /
 Inspired by this confidence / we turn to You /
 O Virgin of virgins / Our Mother /
 We beg you through the Passion and Death of Jesus / Your Son /
 in which you shared intimately / as You stood at foot of the Cross /
 to send us the grace of His healing and strength /
 Welcome us / O Merciful Mother / under your mantle /
 Be especially mindful of the weakest / and most vulnerable among us /
 Grant us the particular grace that we ask of Your Son
 – for our families/ our neighbors / our communities / our parishes /
 and all the nations and peoples of the world /
 Protect us from all evil / from the evil that prowls in the darkness /
 and the evil that hides in the shadows /
 Give us not over to the power of the enemy /
 Oh Mary, Our Mother / may we always enjoy /
 Your loving protection in life / and even more so in death /
 That at our passing / we may be received in the loving arms of Your Son /
 May we come to see you in heaven /
 and thank and bless you forever / Amen.
 Hail Mary, full of grace...
 O Mary conceive without sin / Pray for us who have recourse to you /
 Madonna of Monte Berico / Pray for us.
 Health of the sick / Pray for us /
 Refuge of sinners / Pray for us /
 Comfort of the afflicted / Pray for us /
 O pray for us O Holy Mother of God /
 That we may be made worthy of the Promises of Christ /
